MAP REGULATIONS 2012

- All attractions are subject to regulations that may limit access according to height, age, or physical condition (pregnant women, heart problems, prosthetics, or restricted mobility). These regulations must always be checked before entering any attraction.
  - It may occur that due to maintenance problems or power outage, one or more attractions/shows/food areas are rendered unavailable for brief or prolonged periods of time. For safety purposes, some attractions/shows may be closed due to rain or other inclement weather. All such cases shall NOT warrant reimbursement, neither in full nor in part of the admission, nor grant admission for a future date. In case of emergency, please follow the instructions given by the staff.
  - Bathing suits may be worn and shirts may be removed only at the attractions, shows and food areas in Aquapark. Shirts are absolutely required in Movieland Park and its related attractions or food areas.
  - Please remember that there is a limited number of rubber rafts and lounge chairs in Caneva Aquapark. The rubber rafts belong to their specific attractions and may not be used in others.
  - For safety purposes, it is kindly requested that glass bottles and containers are not scattered around the park.
  - Attractions continue to operate until 15 minutes before the park closes. Access may also be closed early by staff in order to allow any remaining lines to finish before closing hours.
  - Please do not leave bags and knapsacks unattended: it is the duty of the park staff to remove them. Please do not leave valuables unattended as park management cannot be held responsible for lost or stolen items. Lockers are available for rent.
  - Smoking is not permitted while standing in line for attractions or shows, as well as in areas where it is expressly prohibited or marked.
  - Lying down on benches is not permitted. Please keep off the grassy area, and do not use them for picnics, dogs, sleeping, or as play areas for children.
  - Access to theatres and show areas is permitted only before the shows begin and only up to its allowed capacity.
  - The company uses video surveillance systems in certain areas of the park for security purposes, protection of property, and to prevent illegal activity. Images may be seen only by surveillance staff, specifically appointed employees, legal authorities, or police. Photographs are taken in certain areas. Park management is authorised to use pictures of guests who remain in these areas.
  - Guests are permitted to exit and re-enter the park by obtaining a hand stamp from the service staff at the front gate. Those who do not present both ticket and hand stamp will be refused re-entry. Service staff reserves the right in any case to refuse entry.
  - Public announcements cannot be made in the park. Guests are advised ask at the info-point.
  - First aid medical assistance is available in the park. Medication is never dispensed.
  - Dogs are allowed only in Movieland Park, subject to the use of a leash (and muzzle for large dogs) and registration at the info-point. Dogs are not permitted in Caneva Aquapark. Please consult park staff for assistance.
  - Once validated, admission WILL NOT BE refunded for any reason.
  - Persons may be forced to leave park premises due to inappropriate behaviour or failure to respect these regulations.
- SAFETY REGULATIONS**
- Children must always be supervised by an adult. Parents or guardians are held responsible for any damage caused by their children, as well as any incidents due to negligence or disregard.
  - Guests are never permitted to climb onto sets or stages.
  - Safety regulations and rules indicated by signs posted at every attraction must always be followed.
  - Guests are required to remain safely positioned according to specific regulations for attractions in Caneva Aquapark and Movieland Park.
  - For maximum safety, the guests of parks who wish to enjoy the various attractions must be in good health and physical condition, and must not suffer from hypertension, heart problems, back problems, motion sickness (seasickness, carsickness, etc.) or any other illnesses that can be aggravated by the attractions or their movement. Pregnant women are strongly advised against accessing certain attractions.
  - Caneworld staff is required to prevent, warn against and stop any behaviour or activity that does not conform to regulations.
